Dear Colleague,

in your new position as vice president of EURO I should like to give you a short account on the status of the preparations for ESI IX on Hierarchical Planning in Mannheim. There will be 17 student participants from different parts of Europe and about 8 experts, 4 of them each week. You can find details in the attached material. After the workshop will be over, I will give you a detailed account on the experiences we had with it.

Very sincerely yours

Prof. Dr. Christoph Schneeweiß
